

Dakalo Mudau

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a student at Tshwane South College, majoring in Electrical Engineering. I have N1 to N5 in Electrical Heavy Current, I'm currently doing N6 in Electrical heavy current. I am a young and enthusiastic lady that seeks to be part of the organization as I am aligned to its vision and statement.

I have never been part of the candidate trying before and I am willing to identify my key strengths and weaknesses while working. I wish to acquire industry skills and grow as young professional in any company that is my best fit for my career goals. I am a career driven in that by working at Company or in the Built Environment sector under the mentorship and guidance to lay the foundation of Electrical Engineering , and ability to think for myself dependability.

I am reliable as I follow through and complete given projects. I am not afraid to seek clarity where it is sought as I ultimately want to ensure that the given tasks are well understood. I am punctual and dedicated teamwork who is motivated and invested .

I have theoretical knowledge , where I can utilise my theoretical knowledge together with on the job experiential learning to ensure that the industry that we are in gains a meaningful candidate . I would be appreciative if I were afforded an opportunity to part take in this programme.
