

Zwelani Mhlongo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Apprenticeship under as boilermaker. I am driven by success and very eager to learn more about boilermaker. I am able to work as team and in individual, but I strongly believe that if we work as team we minimise the risk of damaging the product, and increase production in a short period of time.

I have completed Grade 12 with both maths and physical science, and also did N2 mechanical engineering (boilermaker) at TVET college.

Contacts and general information about me
