Curriculum Vitae (CV)

## What job i'm looking for? My positive points

Before I applied for the job I studied the job description carefully to make sure I have the skills and qualities to excel in the position. I am a strong communicator, and an excellent collaborator, a focused problem solver and commercially aware. I have experience of dealing with customers, working on time-sensitive projects and in my last role I found ways to help the company save money by streamlining processes. I am a high achiever. If you hire me I will be a great role model to the company, a supportive co-worker and I will take ownership of my on-going professional development so that I can always add value to my team.

Preferred work location                      Gauteng
