What job i'm looking for? My positive points

My name is malehlohonolo machebe and I stay in Bronkhorstspuit, growing I've suffered from epilepsy and went to a special school which I finished in grade 10..I never went to grade 11 or 12 instead I went to a college called Ekurhuleni West college in Germiston, I studied beauty therapy and by the end of the year I graduated from beauty therapy and got a diploma, since then I've been unemployed and job hunting but no luck.

I've been working for my dad whose a doctor and I work there as a despenser but it's a temporary job, I'd love it if you were to hire me so I can be part of the team and do my dream job as a beautician which is being a masseuse.. so with that being said I hope you get this message and get back to me
