Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently a civil engineering student looking for a job this festive season. I may not have any work experience in the retail industry but I have a passion and a desire to make a positive impact in the world. As a student I have developed great communication skills, time management skills and organizational skills that I believe would make me a valuable individual on any team. I am also a team player, a fast learner and a goal driven individual who is looking forward to gain experience in the industry and grow.
