## What job i'm looking for? My positive points

I am looking for a part time job that will sustain me until next year February before I go back to school as I am studying a degree at Wits University. The type of job does not really matter but I personally prefer being a chaser or a packer and my positive points is that I work well with new people and forever hardworking and I promise to deliver the best possible service customers and the store will be happy with.
