What job i'm looking for? My positive points

I am looking for jobs that I can be able to work. I don't care what I will be cleaning or washing dishes as long as I work and be able to earn money, because I am not working and I depend on social grants and if I working will be able to take care of my 11months old baby boy. And I am a very hard working person and I can also be able to work under a lot of pressure. And I am very good for this job
