Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a job where I can be a store/shop assistant and being a general worker. I have worked in the retail industry for seven years. I love working with people and helping them find what they need. I enjoy the challenge of ensuring customers are satisfied and feel a great sense of satisfaction myself when someone I speak to leaves with a smile on their face. I know how to restock/place products on shelves. I also know how to Clean and maintain work areas, tools, and equipment. Perform manual labour tasks such as digging, lifting, and carrying heavy objects. Operate machinery and equipment as needed. Follow safety procedures and regulations to prevent accidents and injuries.

I'll be so grateful if my CV Will be considered.

Thank you!
