Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'd like to gain working experience in retail shops.

I have great communication skills for a Waitress vacancy too . I'm very responsible and adhere to instructions well.

I could be a great babysitter because I grew up as the first born to many siblings and cousins and I'd always be the one looking after them and taking care of them when their parents are away. I'm good with kids and absolutely love them! Super friendly and fun to be around.

I'm fresh out of highschool and would love to gain more working experience to build my profile. Any point is a start.
