

Stacey Lee Markloe

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I enjoyed helping people with what they need. I always have new ideas and want to put them out there for everyone to see. If I work for a business I only want what is best for the place where I work as it helps both the employees and the business, this is something I learned from accounting at school. Lastly I hope to build my confidence more and bring change to the company I will be working at.
