Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm just looking for a simple job because I'm still a young student that wishes to continue with my studies to make my family proud and become the person I want to be. I'm a very hard working person and more task oriented than people oriented. I like to be on my feet rather than sitting the whole time, if I have been offered work to do I always ensure to do it on time and finish in time, I'm am a person with less complaints towards the people who offer something to me and always willing to do the best when I have been offered an opportunity
