What job i'm looking for? My positive points

I am looking for any type of a job as long as it is a permanent job. It may be an administrative clerk position, book keeping, office admin or cleaner. As a recent graduate it's hard to secure a job as most vacancies require a 2 or more years of experience. I'm applying for any position that could help with exposure to work field. I have studied bachelor of social sciences and o have furthered my studies to Honour degree in psychology. I am a hard worker, I well well with a team and also individually, I adapt well to a new environment.
