Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm hard-working outgoing Administrator who sees the whole team as a family. Having more than 11 years' experience as a Personal Assistant, Project Administrator and Document Controller, I believe it gives me the advantage to perform my duties. I have been taught to take extreme ownership of my environment; it gives me a sense of pride knowing my abilities to perform my duties correctly can make others look good. Administration is often overlooked as a mediocre job; however, I firmly believe it is the backbone of any successful operation. Given the chance I would like to excel to a Managerial / Team Leader position. If I see a gap which I know I have the ability to fill, I will do so without second guessing. This has led me to take on more functions than required. Occasionally I do tend to rearrange the office space - they do say change is as good as a holiday. I don't particularly enjoy office politics as I feel it is distracting. We are there to perform a function, not belittle or judgementally discuss co-workers.

If you are willing to give me a chance, I will try my utmost to perform my duties and tasks to the best of my ability while maintaining a healthy balanced work-home life.
