

Ananda Pather

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a highly motivated South African national of Indian descent. I have more than 25 years' experience in the Telecommunications, Fibre, Survey and Supervision industry has honed my skills in many different fields in these industries. I have excellent communication skills in both the professional and informal sectors. I have code 8 EB drivers' license and my own transportation. My contractual agreement with my previous employer had ended on the 30th of November 2022 and I am currently in the market for any suitable position. Any position that I am applying will suit my experience and qualifications as I am technologically experienced with the latest operational methodology and systems (Netplan , GE Smallworld) and other systems that are currently utilized in many projects. My accomplishments in successfully completing my management training in Telkom and Diploma in Fibre. My planning skills is also honed to effectively identify and positively plan for numerous unforeseen circumstances that rise in any assigned task. I have a very positive attitude and see all issues that arise as a challenge and not a problem.

My leadership qualities have always led me to positively drive teams to exceed expectations. My experience also allows me to be positively analytical and constantly improve on new business processes and procedures that not only meet but also exceed the expectations of customers and management.

I know that I can and will be an asset to any team or organization that engages my skills and experience.
