Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any job related to my qualifications and of course jobs that will build me even if it's not a job related to my qualification.

I see myself as a focused professional who is ambitious, goal-driven, intelligent, and diligent. I am good at problem solving and dealing with issues head on. Furthermore, I believe that my abilities and skills will be beneficial to your organization. I am confident and have positive energy which will benefit me to be able to cooperate with teams within your organization by coming up with innovative ideas. I intend to analyze my actions as an extension of my proclivity to analyze everything.
