What job i'm looking for? My positive points

I am committed, hardworking and reliable individual who has a positive attitude to any challenges and opportunities. I take ownership of any given task assigned to me and I am also willing to go extra mile and exceed expectations where possible . I used to be a student from Northlink College doing Electrical Engineering N4 but because of NSFAS issues I was not funded this year , so because of always craving to have experience to work as a team or individual in stores I take this opportunity for my self to work and apply for Job opportunities .
