Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for general work , whether to be a cleaner or a receptionist , or seamstress aswell as I studied fashion design in college.

I have good communication skills , I work well under pressure, at the moment I'm working in retail as a cashier, I deal with a lot of different people so I've learnt that it's always good to stay positive and calm in most cases.
