Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a driven and motivated young woman who is also a natural team leader with good communication skills, I work very well under pressure, have great interpersonal skills, I pay attention to detail and am a very fast learner as I believe in challenging myself through life long learning. I have a way with adjusting myself with different people and personalities as I'm someone who has also been self employed and worked with a lot of different people. I know the importance of business targets and customer satisfaction. I can also detach and take on other peoples roles should need be as there's no room for failure and finger pointing in my books.
