Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for administration jobs because I have studied Management Assistant and i also discovered that I'm obsessed with filling and making sure that my files are neat and up to date, receiving and sending emails, receiving calls, making copies, and I'm passionate about helping clients, and solving their problems that are related to work. And to see them smile after my service that's a great day for me.
