Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a General work job. I have finished school but, I didn't get an opportunity to study, so I want to gain experience by working as a general worker or a personal assistant. I have good communication skills, both Written and Verbal in English. I follow all instructions as said. I enjoy working as a team, as I gain more experience to do my work. I can work independently, as long as I'm given/told all the instructions. I can work under pressure and work overtime.

I don't mind starting with the training, as I am willing to start immediately.
