Curriculum Vitae (CV)

What job i'm looking for? My positive points

To be honest on Salary I am not rushing to say what I want, what is important to me to get a job it will depend how I am doing the job good but I supposed to fill on that block.

I am looking for any job can be general worker I don't mind because I have matric, higher certificate in banking Receptionist, customer service and cashier and I am working as telesales operator dealing with customer over the phone placing orders and emailing the invoices and sometimes I am dealing with front end as supervisor voiding transaction to the till and doing cash up end of the day. I am a student at university of South Africa doing bachelor on supply chain management final year student left with one module although is difficult to be a parent especially I am working but I am doing well because definitely sure, you going to call me graduate by October I am sure I am going to pass this degree, I can assure you that I am hard worker fast learn you won't regret of hiring me thanks a million.
