Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have had my fair chance of working with children and working with Parents as well. Being a sales agent in my past work experience assisted in polishing my communication skills to our parents or people, which I will be able to use when talking to learners and parents regarding any issues that needs to be solved as a community or as one. My fair share with working with children during my practicals defined the burning passion I have for teaching, for bettering the education for our coming generation and for being a helping hand.

I am looking for a job in Foundation Phase.

Any school that needs a Grade R teacher or a foundation phase Setswana teacher. I would be honoured to be given the opportunity.
