What job i'm looking for? My positive points

As a lifelong enthusiast of Pharmacy initiatives, I was thrilled to see you posting for the Regulatory Affairs Pharmacist/Quality Assurance role. I am positive given the opportunity I can help with upcoming challenges.

I consider myself to be a focused, highly motivated individual. I am a person that is capable of showing extremely high level of curiosity, independence and I am an enthusiastic self starter. My goal is to work effectively and co-operatively with others to establish and maintain good working relationships that are mutually beneficial. I am one to always think out of the box and prove myself, thereby gaining exposure and to be able to handle any situation that might come my way. I am loyal and sub-ordinate to my colleagues and faithful to my patients in terms of confidentiality. My experience working as a pharmacist student, assistant, intern, community service pharmacist and now a permanent grade 1 pharmacist has equipped me with an impeccable ability to work well as a team member or independently and this will enable me to excel in any pharmacy setting. I am a person that is able to endure enormous stress and tensions concerning daily life, not only as a reflection of my personality but of my utmost abilities. These qualities will ensure that the necessary tasks are completed on time and that schedules are organized in a sequential manner. Experience is a necessity and an essential tool for any job and I am willing to learn all that is to be offered. I have no doubt in my capabilities with regards to pharmacy as my profession. I aim to build relationships to facilitate the understanding and updating of pharmacy systems and policies. I believe that I will have the required knowledge after completing a course on regulatory affairs via Twinz/ Quad Pharma on approved drugs, the legal aspects and perseverance to excel in this job and I am certain that given the opportunity I could prove to be a valuable asset to the company. At the same token, I believe experience is a necessary tool for any job & I pledge to always do my utmost best, thereby providing full contribution to pharmaceutical services.

This is a perfect match for my personal and professional interests and an exciting opportunity to create a unique knowledge base for healthcare professionals. I would love to leverage my knowledge to achieve groundbreaking results.
