

Refiloe Precious Dooring

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am Refiloe Precious Dooring. I have completed my three year Diploma of Education in Foundation Phase at North West University Mahikeng Campus.

To be given an opportunity to help create a better tomorrow for and with our future leaders and generation would be a complete honour. I have had my fair share of also working with children from Grade RR up till Grade 3 and that assisted the passion for teaching in me burn more. To have explored such incredible minds and saw the world through our better tomorrows' eyes for the whole three years of my practicals during my studying years really did open my mind wider and made me realize even more that a teacher is sure is a lifelong learner and so should everyone be.

I strive to create a safe learning environment for our learners where there is trust and transparency and where learning can take place.

My work with children have opened doors for me to also collaborate not only with my colleagues but the parents as well because as we all know, it takes a village. I am certain that i can work very well with parents into creating a better education system, create an education that spreads wider and tries to cover all the surfaces of the earth to reach every children because its every children's right to an education. I communicate very well and work impressive with my team members , my team members would not only include my fellow teachers but the SGB, the general workers, the parents, The principle, the Learners and The Lesson because Schools are successful ran by teams. A better education is a better tomorrow for our future generation and I believe i can be the perfect fit to make education not only fun or our children but meaningful and impactful as well.

I am temporarily registered with SACE until December, i registered due to job seeking. I have a clear Police Criminal Record.
