## What job i'm looking for? My positive points

I'm Rapitsoane Isaia Mogano born and raised in Limpopo province and recently residing in Gauteng province. I have matriculated 2007 and I have n6 in electrical engineering, so I'm looking for a job in mining industry and companies or firms that offers electrical engineering jobs related. The reason for applying for a job instead of learnership or apprenticeship is because I'm over 35 years, that is a disadvantage cause in most sector they are looking for people around 18 to 35 years.
