Curriculum Vitae (CV)

What job i'm looking for? My positive points

An experienced, educated, professional, focused and highly skilled security management professional who possesses excellent in-depth practical and theoretical knowledge would like to join an organization that values experience, rewards achievements and provides growth opportunities. My attention to detail and my ability to prioritize work in a pressurized environment is an asset to any organization.

I am hands-on, articulate, well-presented, and able to work both independently and within a team, leading and motivating my staff. Though extremely service oriented, I place a high priority on safety under all circumstances. I have a proven track record of success in multiple security and management disciplines at senior and general management level. With a keen focus on the strategic planning and risk-based application of integrated security solutions enabling business operations.

My qualifications, skills and personal attributes have been complemented by sound practical experience spanning thirty years as a National Program Public Relations & Security Training Support Head, Public Relations Officer, Intelligence Officer Operational Deployment & Counterintelligence, National Program Security Training Support Head, Special Services Unit, National Emergency Response & Intervention Manager and Project Security Management. This has provided me with exceptional risk, security, human resources, operational, training, crisis, and conflict management skills.
