What job i'm looking for? My positive points

I am looking for an ancillary nursing job, I did that course in 2016. My positive points are, I love people, I am caring and I can persuade a person to do good. I have taken care of my grandmother for so many years which is why I am only looking for a job now. Anything that can come up I am ready because I do need this job and my kids and I depend on child support grant and I need to do more for myself and be able to provide since my son will be starting school next year.
