What job i'm looking for? My positive points

I'm looking for an administrative job, a learnership or any other job besides the sales representative jobs. I don't have any experience as I'm new from college but I believe that I will be a great value to your team as I am a fast learner, hard worker, good communicator, a leader and critical thinker. I also believe that joining your team will be a very good thing for me as I will gain new skills and experience. I look forward to hearing from you.
