Curriculum Vitae (CV)

What job i'm looking for? My positive points

General worker as a part time but I'm more interested in getting a learnership so I can gain more knowledge and experience about mining in general. I believe this will benefit both myself and the company because if possible I would love to be one of the biggest assets in the company. I have many skills such as leadership skills, listening skills, and I can adapt and overcome any challenges I come across, but more importantly I am always willing to learn new things.
