Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm open to exploring various opportunities that align with my skills and interests. I'm looking for a role that challenges me, allows me to grow professionally, and contributes to a dynamic team.

I am a motivated and creative 2nd year motion picture student with a passion for storytelling and visual arts. Although I'm still early in my academic journey, I've already gained a solid foundation in film production, editing, and visual effects. I'm excited to apply my skills and enthusiasm to a dynamic company.

Throughout my studies so far, I've developed:

- A strong understanding of film theory, history, and criticism
- Basic skills in camera operation, lighting, and editing software like DaVinci.
- Experience working on short films and group projects, honing my collaboration and teamwork skills
- A growing network of like-minded creatives and industry professionals

I'm eager to learn from experienced professionals, gain hands-on experience, and contribute to innovative projects. I'm excited about the opportunity to grow with a talented team and develop my skills further.

In addition to my academic pursuits, I bring:

- A strong work ethic and willingness to learn
- Excellent communication and problem-solving skills
- A creative and innovative approach to storytelling and visual arts
- A passion for staying up-to-date with industry trends and technologies

I'd love the chance to discuss how my enthusiasm, creativity, and transferable skills can contribute to your company's success. Thank you for considering my application.
