

Kevin Plumb

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a successful project manager, generally operating in corporate environments and consulting entities, and have led diverse operational and specialist teams to achieve the strategic goals and objectives of the projects.

I have a strong work ethic, am detail-oriented, supportive and accommodating.

I am most comfortable working as part of a well-defined team and strive to produce high-quality output and decisions.

My primary skills of managing IT and business projects include ensuring exact interpretation of business requirements, creating structured project documentation, planning, tracking and control documentation, providing leadership, and coordinating the efforts of project team members, including third party vendors.
