Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a stable job in which I can provide my skills of being a hard working, people's person. I enjoy being a team player and I find that I work well under pressure and in leadership or managerial type roles.

I am a creative person and I look forward to having a job with stable hours that will allow me to focus time on my projects outside of work.

I enjoy a professional, encouraging and positive work space and I intend to bring that mentality to work each day.
