Throughout my career, I have contributed to positive business results through effective organization, prioritization and follow-through of key organizational projects. My strengths and qualifications are an ideal match for the Driver requirements and will bring immediate value to [Target Company].

In my former Driver role, I exercised a calculated and methodical approach to problem-solving. While I am independently motivated, I appreciate collective efforts and collaborate productively within group settings. Moreover, I am competent in delivery and pickup and driving with proficiency in using GPS navigation.

This opportunity is especially exciting as my professional goals align with [Target Company]'s mission and values. Further, my communication, observation and critical thinking abilities will serve to support your continued organizational efforts.

I have been out of the field for a time due to some unexpected medical issues. Everything has been taken care of and I am ready to get back into the workforce. I would be open to elaborate more if you have further questions!

To illustrate the scope of my career history and professional competencies, please take a moment to review my enclosed resume. I am grateful for your evaluation of my credentials and subsequent response.
