Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for an entry level job in mining or a learnership that can assist me with starting my career since I only have matric. I am a young woman that can be given any opportunity and grab it with both hands. I am a fast learner who is passionate and willing to learn/work hard for my success. I have good interpersonal skills, I work well individually and in a team, I work well under pressure and I am punctual. Given an opportunity I would be a great asset to any company while enhancing my skills and experience which will be beneficial to both me and the company.
