Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have accumulated a considerable amount of experience and skills. I have also worked in various environments and handled many types of stock, from hazardous chemicals to fragile glassware.

To date, I have not encountered a single reportable incident, and I have always been diligent with storage and labelling. I am also very efficient, as my superiors have noted that I average 15 per cent more cases per shift than the industry mean.

I am very adept move stock and possess more than enough physical strength and fitness to quickly move stock . You'll find that I possess a naturally organised mindset that always strives to find new efficiencies.

I am an effective communicator and I regularly review safety regulations and best practices.A proven ability to carry out manual labour tacks with attention to detail,Gained experience in store opening and closing procedures.

Thank you for taking the time to consider my application.Wish to hear from you.

Yours sincerely,
