Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm just a young man who's kind and honest, I command respect and can't stand liars, on 202 I was enrolled at Mangosuthu University of Technology for a Diploma in Marketing, I couldn't finish because of other personal reasons, I was only left with two modules to finish,

I seek challenging opportunities where I can fully use my skills for the success of the organization.
