Curriculum Vitae (CV)

What job i'm looking for? My positive points

The job I'm looking for, it's a job i can make a living out of it, it can be a miner , general worker or the one that deals with computer cause now I'm doing Ict and cumputer. My positive points is I'm flexible and adaptable. I am adaptable in terms of my job role, and i will happily complete work outside of my job description to help the company . I am also flexible with my working hours and will work overtime when needed to assist with company operations. This means that i can come into your team and make positive impact
