What job i'm looking for? My positive points

I'm looking for a cashier job I don't have any experience in the field and would like to if given an opportunity. I'm an honest person, a hard worker, time keeper and I'm good at multi-tasking.

Naturally I love to do things or tasks given immediately and get don't with I'm actually focused. I can read and write. I did computer as a subject at high school and would like to expand my skills. I worked as a general assistant at a school so I can also clean and pack. The reason I think u should hire me is because I'm dedicated and I'm always willing to learn and grow my abilities.
