## What job i'm looking for? My positive points

I'm looking for a job that will be perfect for me to path my career and help me boost my body shape because I'm a body builder kind of a person. I like challenging stuff that requires strength and applying your knowledge here and there, basically bringing new strategies that will be beneficial for whatever company I will be employed at .

In my previous Job at Eskort I implemented a lot of strategies that were time consuming and productive for the whole department.

Preferred occupation	Miners Mining jobs
