Curriculum Vitae (CV)

## What job i'm looking for? My positive points

Dear Madam/Sir,

I hope this email finds you well. I am writing to express my interest in the operators position at SasolMine, as advertised on posters. I am confident in my ability to contribute to your team and help drive success at Sasol mine.

In my previous role at Early Bird (Hatchery), I learnt a lot in terms of working in teams and working in extreme conditions, which I believe will allow me to bring a valuable perspective and skill set to this position.

Attached are my resume and cover letter for your consideration. I would be thrilled to further discuss how my experience and skills can benefit your team. Please feel free to contact me at 0722200812 or via email to schedule an interview. Thank you for considering my application. I look forward to the possibility of working with you.

Best regards,

Bafana Bocibo
