Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a certified Data Analyst with a Google Data Analysis certification and a strong background in sales, marketing, business administration, and customer service. My experience includes roles as a Direct Sales Consultant in the insurance industry and an Executive Sales Consultant, where I developed expertise in client acquisition, relationship management, and strategic problem-solving. Additionally, I have served as a Business Administrator, where I efficiently managed operations, coordinated tasks, and ensured seamless workflow within the organization.

I also bring entrepreneurial experience, having managed business ventures in machinery supply and sportswear distribution. My ability to analyze data, market trends, and operational processes, combined with my expertise in sales and business management, enables me to deliver measurable results and align with organizational objectives. I am committed to leveraging my qualifications and diverse experience to drive success in a professional and dynamic environment.
