

Khensani Mashele

Curriculum Vitae (CV)

What job i'm looking for? My positive points

A well-driven and detail oriented analytical chemistry graduate looking for a challenging Lab Analyst position in a reputable organization, utilizing my analytical skills and knowledge in laboratory settings.

Skills

- Basic knowledge of HPLC and GC techniques (introductory training)
- Familiarity with laboratory software and instrumentation
- Strong understanding of laboratory safety protocols and procedures
- Quality control and quality assurance procedures

Positive Points

- Strong analytical and problem-solving skills
- Excellent communication and reporting skills
- Ability to work accurately and efficiently in a fast-paced environment
- Strong organizational and time management skills
- Ability to maintain confidentiality and adhere to laboratory protocols
- Eager to learn and expand skills in laboratory techniques and instrumentation

Preferred occupation Laboratory analyst
Manufacturing jobs

Preferred work location Johannesburg
Gauteng

Contacts and general information about me

Day of birth	2001-06-28 (24 years old)
Gender	Female
Residential location	Pretoria / Tshwane Gauteng
