

Jean Pierre Van Pletzen

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Any position will do there is no future for me in the telecommunication industry.

I am writing to express my interest in the position that is currently available with your company. I consider myself a productive worker with a solid work ethic who exerts optimal effort to ensure all tasks given to me are completed on time and to the highest standard. I am a fast learner and can learn doing new things without difficulty.

My strengths include, but are not limited to the following:

- I am able to work under pressure and can also work in a team performing tasks.
- I am good working with my hands.
- Committed to provide a superior service to any company I work for.
- Can work with people as I have done before working as an installation technician.
- Fully computer literate. (word; excel; hardware; Ext.)
- Motivated self-starter who takes initiative, and who can work with minimal supervision.

I invite you to review my attached resume which will show you that I'm a capable and professional individual who is able to perform to the highest standard.

I very much hope that you will look favourably upon my application by recognizing my future potential. I would dearly like to further discuss the scope of this position, with you in person, and would welcome the chance of meeting at any time in the near future.

I appreciate you taking time to review my credentials and would like to thank you for your time and consideration.

Yours sincerely:

Jean -Pierre van Pletzen
