

Cheryl Landman

Curriculum Vitae (CV)

What job i'm looking for? My positive points

With over five years of experience owning my own successful restaurant and bar located in the dynamic aviation sector of Lanseria, Johannesburg, I have honed valuable skills in leadership, operations, financials, administration, and customer relations. After relocating to the stunning Hibiscus Coast for a change of pace, I spent a yearlong sabbatical enjoying my new surroundings. I am now eager to apply my diverse skill set to a wide range of industries and am open to both part-time and full-time opportunities where I can contribute and grow.

I am a calm, dependable individual with a natural ability to build and maintain long lasting friendships with colleagues. Over the years I have learned the true value of kindness, patience and empathy both in my professional and private life. Running a business has given me a deep understanding of what it takes to make things work behind the scenes and I approach every task with commitment to ensure the success of both the business and well being of my staff. Through resilience and careful planning, I have navigated challenges and have an attitude of nothing is impossible.
