Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a security job that can help me look after my family. I have a security certificate that I got from a very good security institution, and I have a Psira certificate as a licence to become a security guard. I am a very observant person, I have the ability to notice unusual activities and I have an eye for detail, ensuring safety and security on the job. I am in a perfect physical fitness that will help me with being able to respond quickly and effectively in emergency situation. I am excellent at communicating and collaborating with team members, clients and everyone I need to communicate and work together with. I am good at problem solving and willing to listen to others to be able to solve the problems or conflicts people can find their selves in. I am a very responsible and reliable employee, I believe my employer and colleagues can depend on me. I can operate technology, which will make it easy for me to work with the use of technology. I have the ability to adapt to various environments and can appreciate a job anywhere and other any circumstances. I know what is expected from me by my employer and I am willing to deliver and do a great job.
