

Ivan Robert Lotter

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a dedicated and compassionate educator who prioritizes the academic and personal growth of my students. My passion for teaching extends beyond delivering curriculum content—I actively support struggling learners by identifying their challenges and implementing strategies to help them succeed. Patience and empathy form the foundation of my teaching approach, ensuring that every student feels valued and capable.

Hard work and efficiency define my professional ethic. I take pride in completing tasks with precision and purpose, ensuring that my lesson planning, marking, and administrative duties are executed with the highest level of self-discipline. Time management is a strength I uphold, allowing me to meet deadlines consistently while maintaining a high standard of work. I approach difficult tasks with endurance, embracing challenges as opportunities for growth and problem-solving.

Beyond the classroom, I believe in fostering strong, meaningful relationships within the school community. I engage positively with colleagues, students, and parents, recognizing the importance of collaboration in achieving the best outcomes for learners. I display empathy when working with parents, particularly those navigating difficult circumstances, ensuring they feel heard and supported in their child's educational journey.

I am self-determined in my pursuit of personal and professional development. Learning new languages is a passion of mine, as it not only broadens my communication skills but also enables me to connect with a diverse range of students and colleagues. My commitment to continuous learning enhances my ability to adapt and improve as an educator.

By maintaining strong organizational skills and a disciplined approach to my responsibilities, I contribute to a structured and effective learning environment. My unwavering dedication to my role ensures that I positively impact both my students and the broader school community.

Computer knowledge

Additionally, I am experienced in utilizing Moodle and other educational applications to enhance teaching and learning experiences. I effectively integrate technology into my lessons, ensuring that students engage with interactive and structured digital content. My ability to navigate and adapt to various online platforms enables me to streamline administrative tasks, assess student progress efficiently, and provide dynamic, technology-driven instruction.

I continuously seek to expand my digital skills, staying updated with the latest technological advancements in education to improve both my teaching methods and classroom management.

I am highly proficient in a range of computer programs and digital tools essential for modern education. My expertise includes working with Microsoft Word and Excel, allowing me to efficiently create, edit, and manage documents, spreadsheets, and reports. I have actively participated in various training workshops to enhance my skills and stay updated with best practices in education. My professional development includes:

Teams for virtual collaboration, online lessons, and communication with students, parents, and colleagues.

Invigilation Training Workshops – Gained in-depth knowledge of examination procedures, regulations, and best practices to ensure fair and effective invigilation.

IEB Academic Workshops – Attended subject-specific training sessions to refine my teaching methodologies and align my instruction with IEB curriculum standards.

Educational Technology Workshops – Completed training on the effective use of various educational applications, enabling me to integrate digital tools seamlessly into my teaching, enhance student engagement, and streamline assessment processes.

These workshops have strengthened my expertise in classroom management, assessment strategies, and the integration of technology into education, ensuring that I remain an adaptable and innovative educator.
