Curriculum Vitae (CV)

What job i'm looking for? My positive points

Good day,

As a self-employed, reliable, and highly experienced freelancer with many years of expertise, I am hoping that you will find my skills and talents valuable.

I have done Communication and Presentation Skills Training for the Voice Clinic, coaching people from various fields of business in Public Speaking, Assertiveness, Leadership skills and Dressing for Success.

I also taught Drama for the Helen O'Grady Drama Academy and the Durban Actors Studio, while running Drama workshops for the Malie Kelly Vocal Academy (The vocal coach for "Idols SA"). I also provided training for many children and adults on a private basis with customized curriculums according to their needs.

In May 2018, I completed an intensive course to obtain my TESOL Certificate at Wits Language School and, since then, I have been working as a freelance English Language Trainer for Tantor Development in South Africa, as well as Executive Language Training based in the United States.

I have also written and compiled hundreds of PowerPoint presentation lessons on hundreds of different topics to teach to my students over the past 6 years - tailoring the lessons to the individual needs of my students. I have a portfolio of all my work available.

I hope that you look favourably upon my application.

Kind Regards,

Hillary Meikle A.N.E.A.
