

Okuhle Sebastian Ngesi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

As a recent matriculant with strong computer skills, a hardworking attitude, and experience in customer service, I am eager to gain practical experience and contribute meaningfully to your team.

I recently completed my Grade 12 at Dale College, where I studied Computer Application Technology, English, Geography, and more. I also worked as a waiter at Random Harvest Nursery, where I developed key skills in communication, teamwork, and professionalism under pressure. This experience has strengthened my ability to learn quickly and deliver quality service — qualities I am ready to apply in a learnership role.

I am particularly interested in a position where I can continue learning and growing while supporting your company's goals. I am enthusiastic, adaptable, and committed to giving my best in everything I do.

Preferred occupation	Technician Construction jobs
