Curriculum Vitae (CV)

## What job i'm looking for? My positive points

A motivated Biomedicine graduate with a strong interest in Quality Assurance and Analytics. I have a strong educational background and understanding of the biological field. I am a good communicator who can adjust to a changing environment while efficiently cooperating with coworkers. I'm searching for a position that will allow me to utilize my theoretical abilities and knowledge while also challenging me to grow and contribute to the organization's success. To improve my talents, I would like to obtain employment in the field of science or an internship after completing my academic requirements and graduating. In addition, I would like to continue working toward my career aspirations while simultaneously advancing my education. I would appreciate any internships or permanent jobs within the Biomedical Sciences field.

I major in • Bachelor of Science in Biomedicine, NFQ 7

- Microbiology, Analytical Chemistry, Pharmacology, Molecular Biology, Anatomy & Physiology, Histology.
