Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any general job available as I am currently a SANTS student studying Bed in Foundation Phase Teaching and honestly struggling to pay for my fees. I am a hard worker, a fast learner and a professional, very good communication skills and works well in a group... My passion is in teaching but I do do great in other job as I've been a Cashier before. Please do consider my application.

Thank you.
